The Seller shall supply all materials and/or services as defined in the Purchase Order subject to the terms and conditions referred to and/or contained within the purchase order. Seller's conditions shall not apply at any stage.

Pursuant to the Health and Safety at Work Act 1974 and Control of Substances Hazardous to Health Regulations 1988 (as amended from time to time), the Seller shall provide the Buyer with adequate information to ensure that the goods supplied under this Contract can be used in a safe manner without risk to health.

Hazardous goods must be marked by the Seller with internationally recognized danger symbol(s) and display the name of the material in English. Goods must be accompanied by emergency information in English, in the form of written instructions, labels or markings. Seller's attention is drawn to UK and International Agreements relating to the packaging, labeling and carriage of hazardous goods.

The Seller must notify the Buyer in writing of any changes proposed to the manufacturing process, tooling, material, materials sourcing or product design. The Seller must not implement such changes until written approval is received from the Buyer. Approval will not be unreasonably withheld.

Any standard or specification referred to in the purchase order will be that current at the time of order placement, unless otherwise agreed in writing by the Buyer.

All goods must be accompanied by a Delivery Note bearing the Runcorn MCP Limited purchase order number.

All road deliveries must be between 08:00 and 15:30 Monday to Friday. No deliveries can be accepted outside of these times or on Saturday, Sunday or public holidays other than by special arrangement.
